

Components\Photo\Photo.style.js

```
1 import { StyleSheet } from "react-native";
2
3 export const s = StyleSheet.create ({
4
5     photo : {
6         width:90,
7         height: 90,
8         resizeMode:"contain",
9
10    }
11 })
```
